www.hahnemannhospital.com

Hahnemann University Hospital is committed to providing quality patient care in an academic setting. The hospital offers advanced medical technologies and treatments, and has received many awards and designations for its clinical excellence.

- The American Heart Association's "Get with the Guidelines" program recognizes Hahnemann as a leader in stroke, coronary artery disease and heart failure treatments.
- The Joint Commission awarded Hahnemann the Gold Seal of Approval for Primary Stroke Centers in 2010.

- *U.S. News and World Report* ranked Hahnemann among the nation's top 50 hospitals for heart and heart surgery in 2010.

- Hahnemann has earned Magnet® designation by the American Nurses Credentialing Center (ANCC) Magnet Recognition Program®.

- The Charles C. Wolfert Trauma Center at Hahnemann University Hospital became the first designated Level I Trauma Center for adults in Philadelphia in 1986. The Level I Regional Trauma Center is serviced by MidAtlantic MedEvac, an aeromedical transport program for critically ill or injured patients which has been operated by the Hospital since 1987.

- The American College of Radiology designated Hahnemann a “Breast Imaging Center of Excellence” in 2010.
- Hahnemann University Hospital is designated as a SAVI™ “Center of Excellence” for accelerated partial breast irradiation (APBI) in 2010.
- The Hospital offers a full service emergency department, including a Fast Track program for the treatment of less serious injuries and illnesses.

- Hahnemann is fully accredited by the Joint Commission on the Accreditation of Healthcare Organizations, the nation’s oldest and largest hospital accreditation agency.
